CONFERENCE REVIEW POLICY

AACE conference submissions are peer-reviewed by at least two reviewers, and usually three reviewers, who are members the conference's international Program Committee of experts in fields specifically matching the conference topics. Papers are subject to a double-blind review.

If the review results are not clear, at least two members of the conference's Program Committee decide whether a paper can be accepted or not, and in which presentation category.

A review of all papers receiving high review scores is undertaken by all the members of the conference Board to nominate outstanding paper awards.

Submission evaluation criteria: 1) Potential value/impact of research or developments; 2) Relevance to conference; 3) Originality; 4) Style: Clarity, Length, Originality, Etc.

Acceptance rate: The acceptance rate for AACE conferences is 25-39%.
